Our Clients

We take pride in serving renowned clients from different industries, delivering tailored solutions to meet their unique requirements.

Manufacturing

RAJESH EXPORTS INDIA PVT LTD

A jewellery manufacturer with a net worth of \$26 billion (as of 2020)

- ✓ We developed shop floor automation and custom order management system for them.
- ✓ Created a POS tracking application to facilitate gold bar sales to Muthoot Fincorp.
- ✓ Developed web-based cash accounting system with P&L and Balance Sheet features.

Manufacturing

TANISHQ

Titan Company Limited, Jewellery Division
The leading organized gold ornaments manufacturer in India, part of Tata group

- ✓ Our shop floor automation solution is being rolled out to out-sourced partner manufacturers of Tanishq, including 'Master Creations', 'Mars Jewels', 'AVM Jewels', 'VSV Jewel Tech', and 'Mahalaxmi Fine Arts'
- ✓ Provided mobile solutions for factory audits, attendance capture with geofencing, and reporting systems.

Our Clients

Consulting

TATA ELXSI

Global leader in design and technology services

TATA ELXSI

Manufacturing

HEMKANTH ENTERPRISES

One of the top manufacturers of non-gold ornaments in India.

- ✓ We provided them shop floor automation and mobile solutions for wholesale.

Our shop floor automation solution is being rolled out to out-sourced partner manufacturers of Tanishq, including 'Master Creations', 'Mars Jewels', 'AVM Jewels', 'VSV Jewel Tech', 'SVVL', 'Sahin Gold', and 'Mahalaxmi Fine Arts'.

Our Clients

Clean Energy

OHMIUM OPERATIONS INDIA PVT LTD

A subsidiary of US-based Ohmium.com, focusing on green hydrogen generation

- ✓ We are currently developing a remote monitoring system for Enarka India Pvt Ltd using embedded technology connected to a cloud service.
- ✓ Netsrishti will also be providing analytics on the huge amount of data generated periodically from different sensors for monitoring a whole load of parameters affecting performance.

Healthcare

BRITISH ORIENT INFOTEL INDIA PVT LTD

A BPO company providing medical transcription services for NHS in the UK.

- ✓ We developed their corporate intranet and quality audit applications.

Healthcare

FORD HOSPITAL (US)

- ✓ Developed a mobile app for geriatric patients, enabling continuous vital sign monitoring and connecting all stakeholders of the patient (family, doctor, nurse, other care givers, meals-on-wheels vendors etc.,) so that hospitalization can be minimized through continuous monitoring of vital signs.

Our Clients

Delivery App

- ✓ Successfully sold our food and grocery delivery app to clients in Karnataka and Tamil Nadu.
- ✓ Clients include Breadfruit and Fruit-Kart.

Corporate Training

- ✓ We specialize in corporate training on front-end and middle layer technologies.
- ✓ Our training includes Angular, ReactJs, React Native, Dotnet Core 5, and more.
- ✓ Trusted by corporate clients like Mercedes Benz, Accenture, IBM, Pyramid Group (US), and many more.
